

ENERGY AIR, INC.

Nobody Works Harder

RELIGIOUS PROJECTS

Energy Air specializes in performing the HVAC scope for a variety of religious projects. We've been in business since 1976 and provide a level of expertise combined with extraordinary service that is unmatched by others. Our exceptional financial standing, top safety record, highly trained field team and proven track record when it comes to budget and scheduling, make us the #1 choice for your project.

- Bonding capacity in excess of \$40 million.
- Experience Modification Rate at .80.
- Trained field team- in-house school with unparalleled curriculum.
- Self-perform entire HVAC scope- ductwork, insulation, controls and piping.
- Cutting-edge computer network systems integrate all departments, allowing us to provide accurate and competitive estimates, manage costs and maintain project schedules within budget and on time.
