

ENERGY AIR, INC.

Nobody Works Harder

RETAIL PROJECTS

Energy Air specializes in performing the entire HVAC scope for a variety of retail projects, including open air malls, traditional malls, grocery stores, department stores, stand-alone retail buildings, auto dealerships, outlet malls and power centers.

We've been in business since 1976 and provide a level of expertise combined with extraordinary service that is unmatched by others. Our exceptional financial standing, top safety record, highly trained field team and proven track record when it comes to budget and scheduling, make us the #1 choice for your project.

"While constructing the Mall at Millenia Project, Energy Air's team put forth a quality management effort while maintaining the utmost attention to field workmanship. Energy Air's commitment to relationship, reliability and craftsmanship is greatly appreciated by the Hardin team and evident throughout the new Mall at Millenia. Thank you." Ken Wesley, Senior Project Manager, Hardin Construction Company, LLC
