**WE HANDLE IT ALL!** Delivery, set-up and breakdown services are included! Plus, all units come trailer-mounted for ease of transport.

**LEAVE IT TO THE PROS!** All of our units can be installed almost anywhere, and usually in minimal time. Our units can handle spaces ranging from small offices to large rooms to manufacturing facilities requiring anywhere from 5 to 100 tons and more.

**QUALITY YOU CAN COUNT ON.** Medium efficiency filters in all units provide an allergen and contaminant-free solution to your portable cooling needs. All units come equipped with top-of-the-line features including dependable compressors, pressure taps for refrigerant checks and industrial grade components.

**WE'RE NOT JUST A RENTAL COMPANY.**

**We have a knowledgeable and experienced team to run all proper ventilation for your portable heating and cooling needs.**

**Call today! 407.886.3729**

**Custom pricing available for equipment larger than 30 tons.**

Electrical requirements are not included and will be quoted separately. Pricing includes 100 feet of flex (50' return air and 50' supply air). 30-ton unit includes 8 runs and 400 feet of flex. Additional flex will be billed additionally. 10% discount offer ends August 31, 2010. Not valid with any other offers.
